

Pool Maintenance

At HABITERA, we specialize in pool maintenance, offering exceptional service and impeccable results. We are committed to keeping the water crystal clear, safe and perfectly balanced so you can enjoy your pool to the fullest without worries.

Our Services:

- **Weekly Maintenance:** We make scheduled visits for cleaning, chemical balancing, equipment checks and make sure your pool stays in optimal condition all year long.
- **Pool Recovery:** If your pool has been inactive or has problems such as cloudy water, algae or debris accumulation, our team of experts will restore it to its optimal condition in the shortest time possible.
- **Equipment Repair:** We diagnose and repair pumps, filters, heaters and automation systems to ensure the proper functioning of all components of your pool.

Commitment to quality

We provide a personalized, timely and efficient service using high quality products and advanced technology to maintain your pool. Our highly trained team is ready to provide you with effective solutions and exceptional customer service. Let us take care of your pool so you only have to worry about enjoying it.

Contact us today to arrange your service.
